

Scorz

Scoring & Reporting System

A **NEW** and comprehensive scoring/recording management system for **MICRA-T** and **SIGMA-T**. **SCORZ** enables schools to record, analyse, graph and report on attainments in literacy and numeracy, for Ireland's leading series of standardised group Reading and Mathematics tests.

SCORZ features:

1. Online access 24/7 from any standard web browser
2. Enhanced reporting to meet new Department requirements
3. Graphing tools to allow easy visual analysis of results
4. Import wizard transfers data from previous CD version (data validation may be required).
5. Secure encryption of all personal data
6. Teachers can administer, correct tests and input on their own computers
7. All data centrally backed up in the cloud
8. Historic viewing of classes, teachers and results – by academic year
9. Supports SEN, Learning Support and Resource records
10. Full technical support

To register for **free**, fill in the form at:
